

Step 1. Scan QR code on the voucher using WeChat app

1. Download WeChat app

2. Scan the QR code using WeChat app (using camera app to scan will not work)

Step 2. Enter Juss ticketing platform

1. After scanning the QR code, you will be asked to open the ticketing portal.
2. Click “open”

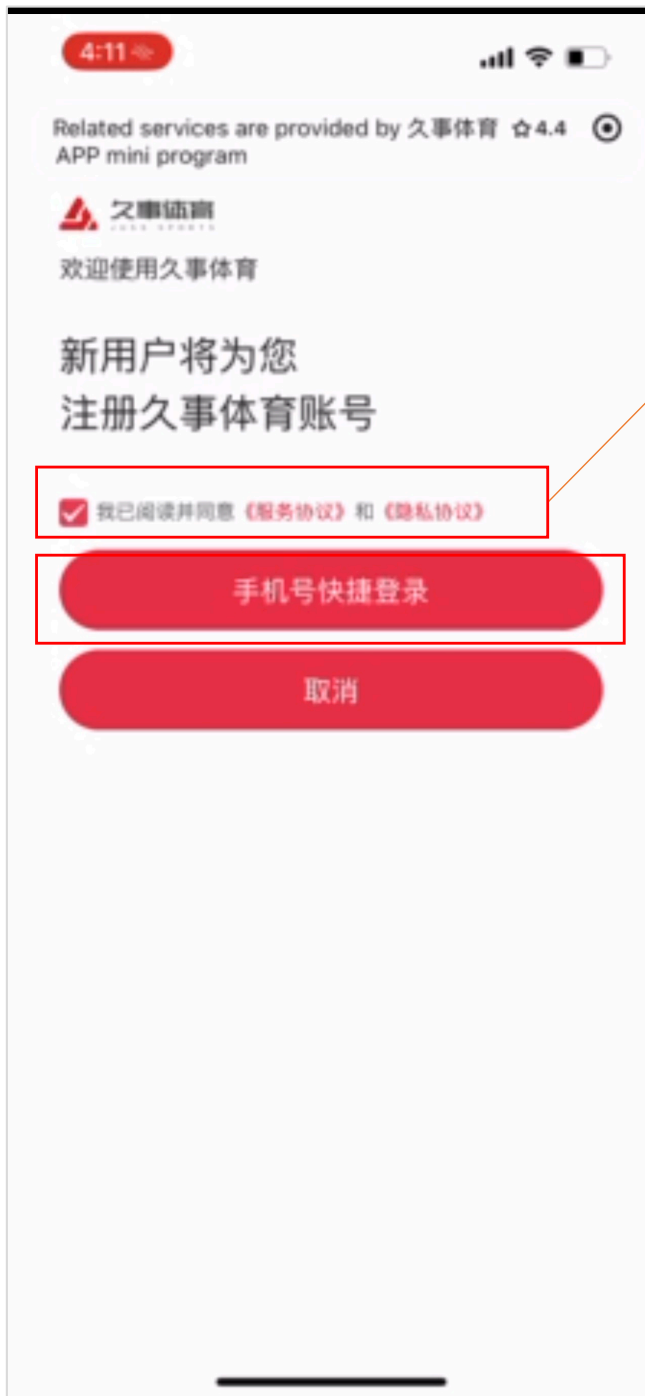

Step 3. Preview ticket information

1. After you enter the portal, the details of the ticket scanned will appear.

2. Click on 'add spectators'

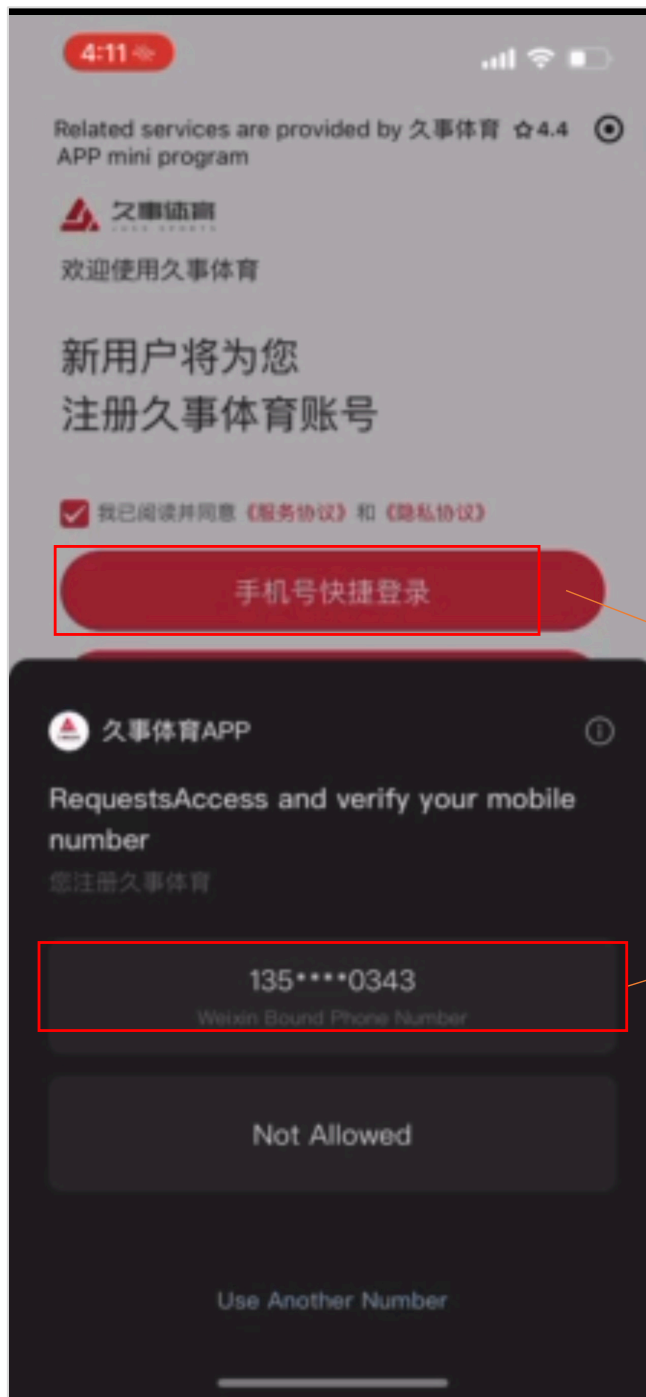

Step 4. Agree to privacy agreement

1. Check the box to agree to the "Service Agreement" & "Privacy Agreement"

2. Click on 'Quick login with mobile phone number'

Step 5. Enter phone number of WeChat used to register

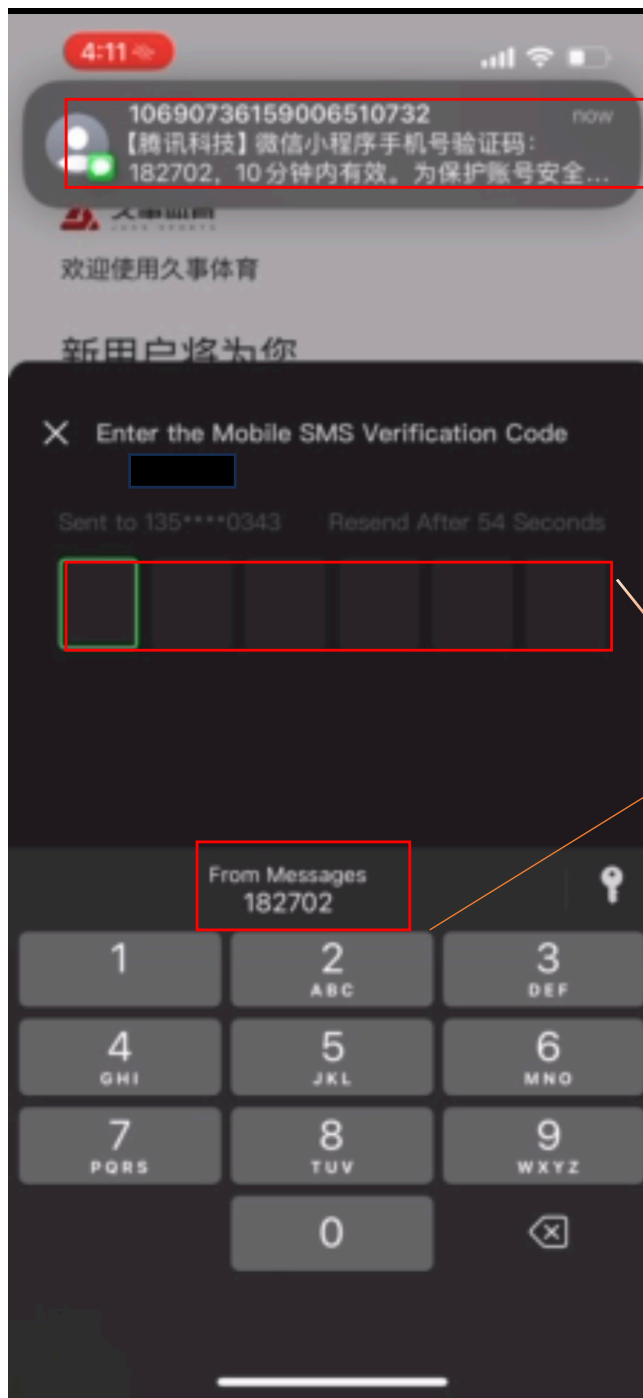

1. Click on “Quick login with mobile phone number”

2. If you have used the ticketing portal before, click on the number saved in the system which you will use to register the ticket.

If first time to use portal, enter the phone number of the WeChat being used to register the ticket.
(WeChat account does not have to be person who will eventually use the ticket.)

Step 6. Get verification code

1. After you click on the phone number stored in the system that you wish to use to register, the verification code will be sent to selected phone number entered.

2. Enter the six-digit verification code.

Step 7. Select ticket for registration

1. Ticketing details reappear (same as Step 3).

2. Click “add spectators” button (same flow as Step 3).

Step 8. Enter new attendee details
